Chapter 1 by Ashley

Hey you! Yeah you! Me and you are different! But no matter our height,weight,age,intelligence,cuteness,uglynest,religions,and race. Where all one. We all stick together. So the next time your mean to someone think about,or the things that you do that are bad. Just to make other people do it. Think about the things you say. You shouldnt because then maybe you to will become great friends,but then enemies again. In life things are always complicated. Thats why we have eachother. Sometimes you might say "I hate you!" To your mom,dad,brother,sister,cousin,aunt,uncle, or anyone.

After a day you both might be happy again. Thats how usually fights go but some take to long. But we might be there for eachother even tho were arent friends anymore but were still a part of each other. But not always.

It only happens when we really need it. Its a part of life and we will all always be 1.
